- 17.5 Delay or failure by the Owner to agree to an extension of time does not cause the **Date for Practical Completion** to be set at large, but the Contractor shall be entitled to damages arising from the unreasonable rejection of all or part of a claim for an extension of the **Date for Practical Completion**.

18. Liquidated damages

- 18.1 If the Contractor fails to achieve **Practical Completion** of the **Contract Work** by the **Date for Practical Completion**, then the Contractor must pay to the Owner liquidated damages calculated at the rate provided in Schedule Item 10.

WARNING TO OWNER

The entitlement to claim, and the amount to be deducted, for liquidated damages must be assessed carefully and in accordance with the Contract. Any valid extensions of time must be taken into consideration when calculating the number of days of liquidated damages which can be claimed.

19. Dispute resolution

- 19.1 If a dispute under the Contract arises between the parties, either party may give the other party a written notice of dispute adequately identifying and providing details of the dispute.
- 19.2 If the dispute is not resolved within 10 **business days** of the receipt of the notice of dispute, either party may refer the matter to a dispute resolution process administered by the Queensland Building and Construction Commission.
- 19.3 A party will not commence any proceedings in respect of the dispute in any court or tribunal of competent jurisdiction until the dispute resolution process referred to in Condition 19.2 is at an end.
- 19.4 Where a dispute has arisen under or in connection with this Contract, including Condition 17.4, the Contractor must proceed diligently with the **Contract Work** notwithstanding the existence of the dispute.

20. Termination after notice of default

- 20.1 If either party is in **Substantial Breach** of this Contract, the party not in breach may give the other party a written notice identifying and describing the breach and stating the intention to terminate the Contract if the breach is not remedied within 10 **business days** from the giving of the notice.
- 20.2 If the **Substantial Breach** is not remedied within 10 **business days** of receipt of the written request to remedy the breach, the party not in breach may end this Contract by giving written notice to that effect.
- 20.3 If the Contract is terminated pursuant to this Condition the Owner must pay the Contractor the reasonable value of any work properly carried out by the Contractor prior to that termination which has not been the subject of previous payment.

21. Termination for bankruptcy or liquidation

- 21.1 Notwithstanding Condition 20, should either party be made bankrupt or, being a company, go into liquidation, then the other party may, by giving a written notice, immediately terminate this Contract.

WARNING TO OWNER AND CONTRACTOR

New legislation effective from 1 July 2018 makes it illegal to terminate a contract with a company solely because they have gone into voluntary administration, appointed a receiver/managing controller or entered a scheme of arrangement with creditors. For this reason (and the probable loss for Owners of non-completion protection under the Qld Home Warranty Scheme if you terminate your Contract incorrectly), it is very important that you obtain formal legal advice before terminating the Contract for any reason.

22. Practical Completion

- 22.1 The Contractor must give to the Owner 5 **business days** prior written notice of the date upon which the Contractor anticipates that the **Contract Work** will reach **Practical Completion**.
- 22.2 On the date specified in that notice as the anticipated date on which the **Contract Work** will reach **Practical Completion**, the Owner or the Owner's authorised representative will inspect the **Contract Work** and if satisfied that the **Contract Work** has reached **Practical Completion**, and if the Contractor produces to the Owner satisfactory written evidence that all relevant inspections and approvals required by the *Sustainable Planning Act 2009* and the *Building Act 1975* and by any body having the relevant jurisdiction have been satisfactorily completed, the Contractor must:
- (a) compile with the Owner, or the Owner's authorised representative, and sign the QBCC Form 5 - *Defects Document* and give a copy to the Owner; and
 - (b) hand over the **Contract Work** to the Owner.
- 22.3 If the Owner considers that the **Contract Work** has not reached **Practical Completion** the Owner must as soon as practicable give the Contractor written notice of those matters which are required to be done for the **Contract Work** to reach **Practical Completion**. The Contractor must carry out such matters as may be necessary for the **Contract Work** to reach **Practical Completion** and must otherwise proceed in accordance with the preceding paragraph.
- 22.4 When the Contractor has satisfied all of its obligations under Condition 22.2 the Owner must immediately pay the Contractor the progress claim for the **Practical Completion Stage** (as adjusted under Condition 18, if applicable).

23. Defects after completion

- 23.1 The Contractor shall make good any defects or omissions in the **Contract Work** which become apparent to the Owner within 12 months of the **Date of Practical Completion**.
- 23.2 If there are any such defects or omissions, the Owner must, as soon as practicable after becoming aware of the defects or omissions, give the Contractor written notice to make good such defects or omissions and must give the Contractor reasonable access to the **Site** for that purpose.
- 23.3 Subject to reasonable access being provided, the Contractor must within 28 calendar days of the notice being given rectify any defects or omissions notified to the Contractor under Condition 23.2 during usual business hours.

24. Notices

- 24.1 Any notice under this Contract must, unless otherwise stated, be given in writing and sent to the party to whom the notice is to be given at the address stated in the Schedule, or such other address as is subsequently advised in writing, in one of the following ways:
- (a) delivered to the other party by hand; or
 - (b) delivered by prepaid post to the address noted in the Schedule; or
 - (c) sent by facsimile to the facsimile number noted in the Schedule; or
 - (d) sent by email to the email address noted in the Schedule.
- 24.2 Any notice sent by post is deemed to be given at the time when by the ordinary course of post it would have been delivered.
- 24.3 Any notice sent by facsimile is deemed to be given at the time when a valid transmission report is received by the sender.
- 24.4 Any notice sent by email is deemed to be given in accordance with the following provisions:
- (a) the notice is deemed given at the time the email is sent provided it is sent before 5.00pm on a **business day** at the place of receipt on the day it is sent and otherwise on the next **business day** at the place of receipt, provided:
 - (i) the sender's computer or email account does not receive a message that the message has not been delivered (including an 'out of office' message); and
 - (ii) the email has been received fully and in legible form by the receiver; and
 - (iii) the receiver has not advised the sender in writing that a notice cannot be given to them by email for the stated period.

CONTRACT CHECKLIST

(Ensure you are able to tick all boxes [before signing the contract](#))

- CONTRACT DOCUMENTS:** I have read and checked all contract documents, including the Contract Schedule, General Conditions, Special Conditions (if any) and plans and specifications. **NOTE: Your contractor must give you a copy of the entire contract, including any plans and specifications, within 5 business days of it being signed by both parties.**
- LICENCE CHECK:** I have checked the contractor's licence and track record on the Online Licence Search on the QBCC website www.qbcc.qld.gov.au The licence must be current and appropriate for your project – if in doubt, contact the QBCC.
- COOLING-OFF PERIOD:** I have read and understand my cooling-off rights as set out on the last page of the Contract Schedule and s.35 of Schedule 1B of the QBCC Act (including how and when I may withdraw if I choose to do so, as set out in s.37 of Schedule 1B of the QBCC Act).
- PAYMENT ARRANGEMENTS:** I have read and understand the payment provisions, including the Contract Price and how much of this amount is fixed and what proportion is made up of allowances (the price of which may later increase), the deposit and progress payments and when these payments are required. **(NOTE: It is particularly important to know how quickly you have to pay after the contractor presents a claim for payment – normally within 5 business days, but immediately at completion).**
- START AND FINISH DATES:** I have checked the start and finish dates and practical completion requirements in the contract (The law requires that the finish date, or how it can be calculated, must be stated in the contract – **DO NOT SIGN** if there is no completion date in the contract.....don't rely on verbal statements by the contractor.....it's what's written in the contract that counts!).
- TIMELINES FOR KEY OBLIGATIONS:** I have read this important document in the Home Owner's Booklet.
- EXTENSIONS OF TIME:** I understand the circumstances under which the contractor may legitimately claim an extension of time and that this may delay the completion of my project (the most common causes for extensions are: agreed variations involving extra work, and work interruptions due to wet weather beyond what the contractor could reasonably have anticipated and allowed for in the contract).
- QBCC HOME WARRANTY INSURANCE:** I know whether or not this project is covered by the Queensland Home Warranty Scheme administered by the QBCC and, if so, what protection that cover gives me. **I note that if the Home Warranty Scheme applies the contractor must collect the premium from me (usually as part of the deposit) and pay it to QBCC within 10 business days of the date of the contract and before the contracted work starts.**
- STATUTORY WARRANTIES:** I note that the QBCC Act includes Statutory Warranties deemed to be part of every *domestic building contract* priced at more than \$3,300 (warranties include: materials will be suitable and new, unless otherwise stated in the contract; the work will be carried out in accordance with all relevant laws and legal requirements and the plans and specifications; the work will be carried out in an appropriate and skilful way, with reasonable care and skill and with reasonable diligence; any allowances included in the contract will be calculated with reasonable care and skill; if the work consists of the construction, renovation, improvement or repair of a home to a stage suitable for occupation, the home will be suitable for occupation when the contracted work is finished).
- VARIATIONS TO THE CONTRACT:** I understand what documentation is required if changes to the contract (called 'variations') are necessary after it is signed **(NOTE: It is strongly recommended that such changes be kept to a minimum as they often lead to extra cost and delays. If variations are required by you or the contractor, they must be detailed in writing by the contractor, priced and signed off by you before the variation work commences. The contractor cannot seek extra payment for a variation before the variation work commences. Accurate documentation of variations, is essential to avoid confusion as to exactly what work is included in the contract).**
- DISPUTE RESOLUTION:** I understand what to do if I get into a dispute with the contractor. If a dispute arises and you cannot resolve the matter informally with your contractor, you should follow the procedures set out in the 'Dispute Resolution' section of the contract. The QBCC's dispute resolution services must be exhausted before any proceedings can be commenced in the Tribunal (QCAT) or a court **(NOTE: It is essential that you engage a practising solicitor BEFORE ending the contract for any reason - incorrect termination may reduce your Home Warranty insurance protection).**
- LEGAL ADVICE:** (if applicable) I have, BEFORE SIGNING, discussed my questions/concerns about the contract with a practising solicitor.

For further general information telephone QBCC on 139 333. **NOTE: QBCC cannot provide legal advice concerning your particular contract.**

- 11.1 The Owner shall give the Contractor access to the **Site** as necessary to enable performance of this Contract. The Contractor does not, by virtue of this Contract, acquire any interest in the **Site**. The Contractor must permit the Owner, or a person authorised by the Owner, to have reasonable access to the **Site**, under the Contractor's supervision, to inspect the **Contract Work**.

12. Workplace health and safety

- 12.1 The Contractor shall comply with all applicable requirements of the *Work Health and Safety Act 2011*.

14. Payment

- 14.1 The Owner must pay the Contractor the **Contract Price** for the **Works** calculated and adjusted as provided by this Contract in accordance with the following provisions:
- (a) The Owner must pay the Contractor the deposit (if any) stated in Schedule Item 2 upon the signing of this Contract.
- (b) The Contractor is entitled to claim a Progress Payment when the Contractor has achieved completion of each of the stages set out in Schedule Item 8. Each such claim shall consist of the percentage of the **Contract Price** applicable to that stage as set out in Schedule Item 8, subject to the following adjustments:
- (i) an adjustment for any **Prime Cost Item** incorporated in the **Works** to that stage, and not included in a previous Progress Payment, such adjustment being an increase or decrease to the relevant stage payment as set out in Schedule Item 8 depending on whether the final cost of the **Prime Cost Item** is more or less than the amount allowed and stated in the *Prime Cost Items Schedule*; and
- (ii) an adjustment for the value of any **Provisional Sum** Item completed to that stage and not included in a previous Progress Payment, such adjustment being an increase or decrease to the relevant stage payment as set out in Schedule Item 8 depending on whether the final cost of the **Provisional Sum** Item is more or less than the amount allowed and stated in the *Provisional Sums Schedule*; and
- (iii) an increase to the relevant stage payment in respect to an amount payable under a Variation Document where the work, the subject of the variation, has been completed and for which payment has not previously been made; and
- (iv) a decrease in the relevant stage payment in respect to a variation which reduces the **Contract Price**.
- (c) Such adjustments referred to in Condition 14.1(b) shall be recorded by the Contractor on the Form 2 - *Progress Claim* or similar appropriate document and the relevant progress claim shall be adjusted accordingly.
- (d) The QBCC Form 2 - *Progress Claim* or similar appropriate document must be accompanied by a QBCC Form 3 - *Notice of Dispute of Progress Claim* or similar appropriate written notice and any certificates of inspection relevant to the payment stage.

- (e) The progress claim for the **Practical Completion Stage** must, in addition to the requirements specified for any other progress claim, be accompanied by a completed and signed QBCC Form 5 - *Defects Document*, or similar appropriate document.
- (f) The Contractor must make all reasonable efforts to have the Owner sign the QBCC Form 5 - *Defects Document* or similar appropriate document used to record the minor defects and minor omissions.
- (g) Except in regard to the Progress Payment for the **Practical Completion Stage** payable in accordance with Condition 22.4, the Owner must pay the Contractor the Progress Payment, or so much of the relevant claim for Progress Payment as is not disputed by the Owner, within **5 business days** of receipt of the relevant claim.
- (h) If the Owner fails to pay a valid payment claim, or the undisputed portion of a claim, in accordance with this Condition, the Owner must pay the Contractor interest on the overdue payments at the rate stated, or the default rate provided for, in Schedule Item 11.
- (i) If the Owner disputes the relevant claim for Progress Payment or any part of it, the Owner must, within **5 business days** of receipt of the relevant claim, give to the Contractor a completed and signed QBCC Form 3 - *Notice of Dispute of Progress Claim* or similar appropriate written notice stating the reasons for so disputing the claim or part of it.
- (j) If the dispute is not resolved by the parties within **5 business days** of the receipt by the Contractor of the notice of the dispute, the dispute must be referred for resolution in accordance with Condition 19.

15. Assignment and subcontracting

- 15.1 The Contractor must not assign this Contract or the **Contract Work** without the prior written consent of the Owner.
- 15.2 The Contractor may subcontract parts of the **Contract Work** to appropriately licensed tradespersons, but the Contractor remains liable to the Owner for the **Contract Work**.

16. Variations

- 16.1 The **Contract Work** may be varied by way of an increase, decrease or substitution of the **Contract Work** agreed between the Contractor and the Owner provided that, before work commences and before any additional payment is sought, the details of the variation are put in writing in a Variation Document agreed in writing by both parties.
- 16.2 The Contractor shall not commence work on a variation, or be entitled to any payment in respect of a variation, unless the variation is documented in accordance with Conditions 16.3 and 16.4.
- 16.3 The Variation Document may be a QBCC Form 4 - *Variation Document*, or other similar appropriate document, with the particulars completed in accordance with the requirements of Schedule 1B of the QBCC Act, agreed in writing by both parties.

- 16.4 The Variation Document complies with the requirements of Schedule 1B of the QBCC Act if it:
- (a) is readily legible; and
 - (b) describes the variation; and
 - (c) states the date of the request for the variation; and
 - (d) if the variation will result in a delay affecting the subject work - states the Contractor's reasonable estimate for the period of delay; and
 - (e) states the change to the **Contract Price** because of the variation, or the method for calculating the change to the **Contract Price** because of the variation; and
 - (f) if the variation results in an increase in the **Contract Price** - states when the increase is to be paid; and
 - (g) if the variation results in a decrease in the **Contract Price** - states when the decrease is to be accounted for.
- 16.5 Any increase in the **Contract Price** as a result of the variation can not be required to be paid before work the subject of the variation is started.
- 16.6 The Contractor must give the Owner a readily legible signed copy of the Variation Document within **5 business days** after the variation is agreed and before the variation work is commenced.
- 16.7 If the Contractor has requested the variation, the Contractor is only entitled to additional payment if the variation was necessary because of circumstances that could not have been reasonably foreseen by the Contractor when the Contract was entered into.

17. Extension of time

- 17.1 Subject to complying with Condition 17.2, the Contractor may only claim and is entitled to a reasonable extension of the **Date for Practical Completion** if:
- (a) the need for the extension of time arises because of one or more of the following causes of delay prevents the Contractor from achieving **Practical Completion** by the **Date for Practical Completion**:
 - (i) a variation complying with Condition 16; or
 - (ii) a delay caused by the Owner or the Owner's authorised representative; or
 - (iii) a delay event stated in Schedule Item 6B which exceeds the stated allowance; and
 - (b) the delay is not reasonably foreseeable and is beyond the reasonable control of the Contractor; and
 - (c) the claim is made to the Owner in writing using a QBCC Form 1 - *Extension of Time Claim and Owner's Response to Claim* or similar appropriate document with the particulars, including the cause of the delay and the extension of the **Date for Practical Completion** claimed, completed; and
 - (d) the claim is given to the Owner within **10 business days** of the earlier of the Contractor becoming aware of the cause and extent of the delay and when the Contractor reasonably ought to have become aware of the cause and extent of the delay; and

(e) the Owner approves the claim in writing using the QBCC Form 1 - *Extension of Time Claim and Owner's Response to Claim* or similar appropriate document.

- 17.2 The Contractor must take all reasonable steps to lessen the effect and duration of any delay.
- 17.3 The Contractor must give the Owner a signed copy of the claim for an extension of time within **5 business days** of the Owner approving the claim.
- 17.4 The Owner must, within **10 business days** of receiving the Contractor's claim, reasonably assess and return to the Contractor the said QBCC Form 1 - *Extension of Time Claim and Owner's Response to Claim* or similar appropriate document either agreeing to the extension of time claimed or giving reasons for the rejection of the whole or part of the said claim, failing which the said extension of time claim will be deemed to be disputed by the Owner.
- 17.5 Delay or failure by the Owner to agree to an extension of time does not cause the **Date for Practical Completion** to be set at large, but the Contractor shall be entitled to damages arising from the unreasonable rejection of all or part of a claim for an extension of the **Date for Practical Completion**.

18. Liquidated damages

- 18.1 If the Contractor fails to achieve **Practical Completion** of the **Contract Work** by the **Date for Practical Completion**, then the Contractor must pay to the Owner liquidated damages calculated at the rate provided in Schedule Item 10.
- 18.2 Liquidated damages may only be deducted by the Owner from the amount payable to the Contractor in respect of the **Practical Completion Stage**. If the Owner's entitlement to liquidated damages exceeds the amount payable to the Contractor for the **Practical Completion Stage**, the excess may be recovered by the Owner as a debt due to the Owner by the Contractor.

WARNING TO OWNER

The entitlement to claim, and the amount to be deducted, for liquidated damages must be assessed carefully and in accordance with the Contract. Any valid extensions of time must be taken into consideration when calculating the number of days of liquidated damages which can be claimed.

19. Dispute resolution

- 19.1 If a dispute under the Contract arises between the parties, either party may give the other party a written notice of dispute adequately identifying and providing details of the dispute.
- 19.2 If the dispute is not resolved within **10 business days** of the receipt of the notice of dispute, either party may refer the matter to a dispute resolution process administered by the Queensland Building and Construction Commission.
- 19.3 A party will not commence any proceedings in respect of the dispute in any court or tribunal of competent jurisdiction until the dispute resolution process referred to in Condition 19.2 is at an end.
- 19.4 Where a dispute has arisen under or in connection with this Contract, including Condition 17.4, the Contractor must proceed diligently with the **Contract Work** notwithstanding the existence of the dispute.

20. Termination after notice of default

- 20.1 If either party is in **Substantial Breach** of this Contract, the party not in breach may give the other party a written notice identifying and describing the breach and stating the intention to terminate the Contract if the breach is not remedied within 10 **business days** from the giving of the notice.
- 20.2 If the **Substantial Breach** is not remedied within 10 **business days** of receipt of the written request to remedy the breach, the party not in breach may end this Contract by giving written notice to that effect.
- 20.3 If the Contract is terminated pursuant to this Condition the Owner must pay the Contractor the reasonable value of any work properly carried out by the Contractor prior to that termination which has not been the subject of previous payment.

21. Termination for bankruptcy or liquidation

- 21.1 Notwithstanding Condition 20, should either party be made bankrupt or, being a company, go into liquidation, then the other party may, by giving a written notice, immediately terminate this Contract.

WARNING TO OWNER AND CONTRACTOR

New legislation effective from 1 July 2018 makes it illegal to terminate a contract with a company solely because they have gone into voluntary administration, appointed a receiver/managing controller or entered a scheme of arrangement with creditors. For this reason (and the probable loss for Owners of non-completion protection under the Qld Home Warranty Scheme if you terminate your Contract incorrectly), **it is very important that you obtain formal legal advice before terminating the Contract for any reason.**

22. Practical Completion

- 22.1 The Contractor must give to the Owner 5 **business days** prior written notice of the date upon which the Contractor anticipates that the **Contract Work** will reach **Practical Completion**.
- 22.2 On the date specified in that notice as the anticipated date on which the **Contract Work** will reach **Practical Completion**, the Owner or the Owner's authorised representative will inspect the **Contract Work** and if satisfied that the **Contract Work** has reached **Practical Completion**, and if the Contractor produces to the Owner satisfactory written evidence that all relevant inspections and approvals required by the *Sustainable Planning Act 2009* and the *Building Act 1975* and by any body having the relevant jurisdiction have been satisfactorily completed, the Contractor must:
- compile with the Owner, or the Owner's authorised representative, and sign the QBCC Form 5 - *Defects Document* and give a copy to the Owner; and
 - hand over the **Contract Work** to the Owner.

- 22.3 If the Owner considers that the **Contract Work** has not reached **Practical Completion** the Owner must as soon as practicable give the Contractor written notice of those matters which are required to be done for the **Contract Work** to reach **Practical Completion**. The Contractor must carry out such matters as may be necessary for the **Contract Work** to reach **Practical Completion** and must otherwise proceed in accordance with the preceding paragraph.
- 22.4 When the Contractor has satisfied all of its obligations under Condition 22.2 the Owner must immediately pay the Contractor the progress claim for the **Practical Completion Stage** (as adjusted under Condition 18, if applicable).

23. Defects after completion

- 23.1 The Contractor shall make good any defects or omissions in the **Contract Work** which become apparent to the Owner within 12 months of the **Date of Practical Completion**.
- 23.2 If there are any such defects or omissions, the Owner must, as soon as practicable after becoming aware of the defects or omissions, give the Contractor written notice to make good such defects or omissions and must give the Contractor reasonable access to the **Site** for that purpose.
- 23.3 Subject to reasonable access being provided, the Contractor must within 28 calendar days of the notice being given rectify any defects or omissions notified to the Contractor under Condition 23.2 during usual business hours.

24. Notices

- 24.1 Any notice under this Contract must, unless otherwise stated, be given in writing and sent to the party to whom the notice is to be given at the address stated in the Schedule, or such other address as is subsequently advised in writing, in one of the following ways:
- delivered to the other party by hand; or
 - delivered by prepaid post to the address noted in the Schedule; or
 - sent by facsimile to the facsimile number noted in the Schedule; or
 - sent by email to the email address noted in the Schedule.
- 24.2 Any notice sent by post is deemed to be given at the time when by the ordinary course of post it would have been delivered.
- 24.3 Any notice sent by facsimile is deemed to be given at the time when a valid transmission report is received by the sender.
- 24.4 Any notice sent by email is deemed to be given in accordance with the following provisions:
- the notice is deemed given at the time the email is sent provided it is sent before 5.00pm on a **business day** at the place of receipt on the day it is sent and otherwise on the next **business day** at the place of receipt, provided:
 - the sender's computer or email account does not receive a message that the message has not been delivered (including an 'out of office' message); and
 - the email has been received fully and in legible form by the receiver; and
 - the receiver has not advised the sender in writing that a notice cannot be given to them by email for the stated period.
